MEMORANDUM FOR: Deputy Director (Coordination)
Deputy Director (Intelligence)
Deputy Director (Plans)
Deputy Director (Support)

SUBJECT : Personnel Selection-cut Procedures

REFERENCE : Memo same subject dated 17 February 1958

1. The procedures established in referenced memorandum will continue in force during calendar year 1959. However, less dependence will be placed on the annual review and ranking of the potential candidates for selection-cut and more emphasis will be placed on the responsibility of Deputy Directors and Heads of Career Services to take action at the time that a potential candidate is first identified. *There*

~~2. In the coming year, therefore~~ ^{yearly} the annual review will be used as a follow-up action ~~only~~. It will be used when there is real doubt in the minds of responsible officials concerning the relative standing of an individual and ~~the~~ ^{when} application of selection-cut procedures to his case. Where no such doubt exists and ~~when~~ the evidence upon which to base selection-cut action is sound and persuasive, such action will be taken as soon as the case is identified.

3. The Director of Personnel is instructed to schedule the annual career service reviews at various times during the coming year in order to control the backlog of cases.
